## SUMMARY

Recent Master's graduate in Animation with a First-Class Honours Bachelor's in Computer Animation Art. Skilled in both 2D rigged and traditional animation, with a strong eye for detail and a collaborative mindset. Experienced in delivering high-quality work under tight deadlines and with a passion for creating meaningful, visually engaging content, especially for children.

## WORK EXPERIENCE

### MOTION GRAPHIC

Children's Classic Concerts, Glasgow

**May 2025**

- Created animated text for a video aimed at young children.
- Oversaw the project with full creative freedom over the movements of the texts, timing and style to enhance comprehension and visual appeal.

### 2D ANIMATOR

Fenix, Florence, Italy

**Sep 2024 - Feb 2025**

- Animated stylised characters with Adobe Animate for a children's TV show.
- Worked and regularly communicated with the Team Lead and Animation Supervisor, regularly incorporating feedback to refine performance and timing.
- Managed my time efficiently to meet the deadlines of my assigned shots.

### 2D ANIMATOR INTERNSHIP

Gruppo Alcini, Treviso, Italy

**July 2024**

- Practised rigged animation in Adobe Animate.
- Listened to the feedback and actively acted on it,
- Gained insight into the production workflows of a professional studio.
